POLICY FOR REPORTING THE ANNUAL DISCLOSURE OF CRIME STATISTICS

1. The purpose of this policy is to ensure that the annual disclosure of crime statistics is accurate, reliable, and consistent with the requirements of the relevant legislation.

2. This policy applies to all staff involved in the collection, analysis, and reporting of crime statistics.

3. The following principles shall govern the reporting of crime statistics:

- a. Accuracy: All data reported must be accurate and based on reliable sources.
- b. Consistency: Reporting standards and methods must be consistent across all areas.
- c. Transparency: The sources and methods of data collection must be clearly stated.
- d. Confidentiality: All data reported must be handled in accordance with the relevant confidentiality requirements.
- e. Timeliness: Reports must be submitted on a regular and timely basis.

4. The following procedures shall be followed for the reporting of crime statistics:

- The relevant data shall be collected and verified.
- The data shall be analyzed and summarized in accordance with the relevant reporting requirements.
- The reports shall be prepared and submitted to the relevant authority.
- The reports shall be reviewed and approved by the relevant authority.
- The reports shall be published and disseminated to the public.

5. Any staff who fail to comply with this policy may be subject to disciplinary action.
