

Dear students:

Welcome to the Southern Methodist University (SMU) Community! Whether you are entering for your first semester or returning to continue your studies, we are glad you are here. If you are a new student, we hope you will quickly find new friends and new opportunities for personal and intellectual growth. If you are a returning student, we are happy to welcome you back to SMU!

The SMU Student Handbook is your guide to information and services available through your affiliation with SMU. It includes information related to your rights and responsibilities as members of the SMU community, both on and off campus. The Handbook includes the Student Code of Conduct, the University Conduct Review Process, Honor Code, and information/expectations that SMU needs to communicate to its students. The most up-to-date version of this handbook can be viewed online at <https://smu.edu/studenthandbook> at any time.

You will be held accountable for adhering to the policies and procedures outlined in this Handbook, both on and off campus. Please become familiar with this information.

Again, we are pleased that you are a part of the SMU community. We believe SMU owes much to its students, and we hope that you will take full advantage of all SMU has to offer you. We also look forward to what you will contribute to our community.

Sincerely,

The Division of Student Affairs is responsible for the oversight of educational and developmental programs in and out of the classroom settings at the University. The initial purpose of the Division is to support academic endeavors, however, it also works to extend what is learned in the traditional classroom into the free time and recreational activities of students. The Division is staffed by masters and doctoral degree professionals and a number of clerical and service personnel. Many students are also employed by the Division in positions of leadership in the residence halls and other areas. The sense of community for students is critical to student success inside and outside of the classroom. The many programs and services which are sponsored by the Division are directed towards the creation of a very close and lasting sense of community, which allows students to support each other while they grow through their shared college experiences.

STUDENT CODE OF CONDUCT AND CONDUCT REVIEW PROCESS

I. PREAMBLE

A university is a complex institution. It is distinctive from anything else in society, and therefore, the focus of its norms is distinctive. Further, a private university is an elite institution; admittance and attendance is a privilege granted on the assumption that the applicant who has voluntarily enrolled in the institution shares the university's values and goals and is committed to its purpose. If a student's values and goals are not consistent with those of the university, the privilege of attendance may be terminated.

To that end, students of Southern Methodist University commit themselves to the following values:

- Academic honesty.

Fundamental to any higher learning community is academic honesty. An environment free from giving or receiving unauthorized aid is fundamental to the process of learning and evaluating academic performance.

- Moral courage.

any action deemed appropriate, including reversing, amending, or remanding with instructions concerning such decisions. The President's power of review as stated herein is not limited in any way, and the President is authorized to act at his/her sole discretion in conducting such review and in deciding what action is appropriate.

The Code of Conduct applies to student behavior both on and off the campus of Southern Methodist University, including travel on University-sanctioned trips. Students traveling on University-sanctioned trips are representing Southern Methodist University and are expected to make responsible decisions regarding behavior so that, (i) 0.5 yd w t10 htedbookciding what2a

- K. “Investigator” refers to the person who conducts the investigation of the complaint or incident.
- L. “Public place(s)” includes, but is not limited to any dining hall, lobby, hallway, lounge, study area, stairwell or restroom of on-campus buildings, fraternity and sorority housing, or any outdoor areas on campus grounds.
- M. “Recognized organization” shall refer to any organization who has been designated by the Students’ Association as having either a probationary, temporary, or full charter.
- N. “Respondent” refers to a student or student group who has allegedly violated policy.
- O. “Student” means any person for whom the University maintains educational records, as defined by the Family Educational Rights and Privacy Act of 1974 and related regulations, and who is currently enrolled and/or is part of a degree-granting program.
- P. “University Conduct Board” is the pool of trained faculty, staff, and students from which a hearing panel is selected.
- Q. “University community” means any student, faculty, administration or staff member at the University.
- R. “Conduct Officer” refers to a University staff member trained in the conduct review process to adjudicate cases.

The President shall inform in writing the complainant, the respondent, the Vice President for Student Affairs, and the Office of Student Conduct & Community Standards of any decision to affirm, reverse, amend, or remand any decision.

VI. SPECIAL CIRCUMSTANCES

A. Academic Dishonesty Cases

Any cases involving academic dishonesty will be handled in accordance with the Honor Code, which may be accessed online at <https://smu.edu/StudentAffairs/StudentLife/StudentHandbook/HonorCouncil>

B. Graduate Hearing Boards

The Dedman School of Law, the Perkins School of Geology, and the Lyle School of Engineering shall each appoint, as may be necessary and appropriate, hearing boards composed of staff, faculty and graduate students to hear misconduct cases.

1. The rosters of persons appointed to these boards shall be made available, as needed, to the Office of Student Conduct & Community Standards.

4. Academic dishonesty cases concerning graduate students at the Cox School of Business, the Dedman School of Law, and the Perkins School of Theology are handled separately through processes established at each of those schools.

C. Student Organizations

The Student Code of Conduct applies to student groups and organizations as well as individuals. When a student organization is believed to have violated the Student Code of Conduct, University policies, or the law, the Office of Student Conduct & Community Standards will conduct an investigation.

Such mandatory withdrawal may include, but is not limited to: withdrawal from academic classes, removal from

I. Violations of the Law and the Code

The University recognizes that some violations may be handled concurrently by the University and civil and/or criminal authorities. The criminal court process is separate and distinct from the conduct review process, which determines only violations of the Student Code and imposes sanctions within the University community. As such, concurrent action by both processes does not constitute double jeopardy.

VII. RETENTION OF CONDUCT RECORDS

Upon graduation or withdrawal from the University, student records in the Office of Student Conduct & Community Standards are maintained for a period of no less than seven (7) years to facilitate compliance with the Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act; after which time they are destroyed. Records of students who are suspended or expelled from the University will be maintained indefinitely. Conduct records may be released to third parties pursuant to University policies and federal and state laws.

Sanctions resulting in a change of a student's standing with the University may be disclosed to third parties; those sanctions include conduct probation, deferred suspension, suspension, and expulsion. Educational sanctions assigned may also be disclosed. Sanctions not affecting a student's standing with the University will not be disclosed; those sanctions include formal and informal warnings.

Cases which result in a student receiving amnesty through the Call for Help program (medical amnesty or Good Samaritan) will not be classified as student conduct records and will therefore not be disclosed to third parties except as permitted by the student or required by the law. These records will similarly be maintained for a period of no less than seven (7) years.

Only students with a violation occurring prior to the 2016-2017 academic year, who have earned 90 academic credits and achieved senior standing may request, through a written petition, to have their conduct record expunged by the Dean of Students for good cause. Factors to be considered in review of such petitions shall include:

1. The present demeanor of the student.
2. The conduct of the student subsequent to the violation.
3. The nature of the violation and the severity of any damage, injury, or harm resulting from it.

There is no appeal of the decision made by the Dean of Students in response to a request to expunge a record.

VIII. INTERPRETATION, REVISION, AND AMENDMENTS

A. Code of Conduct

The Student Code as described in Section IV is received and evaluated by the Student Senate, which is the legislative body representing student interests. The writing of the Student Code involves students, is for students, and is the expression of the student body's relationship to the rest of the University. Hence, the Student Senate may at any time make recommendations to the code and the senate shall be asked to endorse it. Changes to the Student Code adopted by the Student Senate are subject to approval by the President of the University. The most up-to-date version of this handbook can be viewed online at <https://smu.edu/studentlife> at any time.

B. Conduct Review Process

The Vice President for Student Affairs has responsibility for establishing and maintaining the conduct review process through its various parts. The University Conduct Council, in consultation with faculty, staff, students, and others, as appropriate, and in conjunction with the Vice President for Student Affairs, makes recommendations/amendments to the procedures of the conduct review process as described in Section V to the President of the University.

1. Proposals are to be made to the University Conduct Council for their recommendation, but final authority to change the conduct review process rests with the University President.
2. When the University Conduct Council receives a change, the Council is required to inform the Dean of Students and the Student Body President of the proposal and the details of the proposal's contents in writing. This requirement is for written notification only; approval is not required by either the Dean of Students or the Student Body President.
3. Students with questions regarding this process may see the Dean of Students.
4. The Vice President for Student Affairs may delegate any part or all of his/her authority from time to time, to any person or several persons, wherever he/she deems it appropriate. This person or persons is referred to as a Conduct Officer.

e general principles for all honest writing can be summarized briefly. Acknowledge indebtedness:

1. Whenever you quote another person's actual words.
2. Whenever you use another person's idea, opinion, or theory, even if it is completely paraphrased in your own words.
3. Whenever you borrow facts, statistics, or other illustrative material - unless the information is common knowledge.

Plagiarism also encompasses the notions of citing quotations and materials from secondary sources that were not directly consulted in the preparation of the student's work, and copying the organizational and argumentation structure of a work without acknowledging its author.

ARTICLE I

JURISDICTION, RATIFICATION, AND AMENDMENTS

SECTION 2: Ratification of this Constitution shall be by majority vote of the Student Senate, the Faculty Senate, and the approval of the Provost and Dean of Students.

Passage shall require a majority vote of the Honor Council and approval by the Student Senate, the Faculty Senate, and the approval of the Provost and the Dean of Students.

ARTICLE II

HONOR COUNCIL COMPOSITION AND AUTHORITY

SECTION 1: MEMBERSHIP If possible, the Honor Council should be comprised of a minimum of four officers and no less than 27 general members. Membership is open to all members of the SMU student body without respect to sex, sexual orientation, race, color, religion, disability, age, veteran status, or national origin. Officers will be elected internally by the Honor Council. General members will be selected through an application and interview process by the Honor Council Executive Board. The 27 general members should be categorized following these guidelines:

- (a) Five (5) first-year students (after recruiting)
- (b) Six (6) sophomore students

-
- 1 Labeling a student as being "dishonest" constitutes a form of moral condemnation, which can be a legitimate sanction in itself. Such moral condemnation, however, is not normally imposed for a simple act of negligence (e.g., a typographical error resulting in a miscited source). A student who cites long passages from a book without acknowledgment cannot expect to convince the decision maker that the omission was merely "negligent." Such ignorance is not a valid defense. Not knowing what one has done (e.g., inadvertently omitting a footnote) is to be distinguished from knowingly doing something while ignorant of a rule.
 - 2 The term "academic exercise" includes all forms of work submitted for credit or honors at the University, as well as materials submitted to other institutions or organizations for evaluation or publication.
 - 3 For example, a writer should not reproduce a quotation found in a book review and indicate that quotation was obtained

- (c) Seven (7) junior students
- (d) Eight (8) senior students
- (e) One (1) graduate student from a school under the council's jurisdiction
- (f) Five (5) members nominated by the Faculty Senate and appointed by the Provost

SECTION 2: NOTIFICATION OF STUDENT AND PREHEARING PROCEDURES

(a)

- (b) The vice president shall inform the student that he or she may bring one person from the SMU community (a SMU student, faculty member, or staff member) and his or her parents. - (b) The president or his/her designee shall act as the nonvoting presiding officer of the hearing.
- (c) The respondent may challenge any board member's eligibility to sit on the panel; however, the hearing board by majority vote, will have the final decision regarding the panelist's eligibility.
- (d) Hearings will be closed to the public, except for the respondent's parents, the community support person accompanying the respondent, and Honor Council members-in-training. The respondent may request an open hearing, which may be held at the discretion of the president. Open hearings will waive all rights to confidentiality.
- (e) Any person, including the respondent, who disrupts a hearing or who fails to adhere to the rulings of the president may be excluded from the proceeding.
- (f) All proceedings are confidential. Violations of the policy on confidentiality will result in a board member's removal from the council as well as subject the board member to possible conduct action.
- (g) In accusations involving more than one (1) student, the president will determine whether separate hearings will be held. If a single hearing is held, the respondents may be asked to testify with the other(s) out of the hearing room. Guilt or innocence and penalties will be assigned separately.
- (h) If the respondent withdraws from school pending a hearing, the Honor Council retains jurisdiction to render a finding of guilt and apply sanctions.

SECTION 2: HEARING PROCEDURES

- (a) A hearing board should be comprised of four students and one faculty Honor Council member. The quorum for a hearing shall be four members. For a hearing to commence, the complainant or a statement by him or her, and the investigator or a statement by him or her must be present. - (d) Respondents shall be accorded an opportunity to question the complainant and those witnesses who testify for the complainant at the hearing.
- (e) In like manner, the complainant shall be accorded an opportunity to question the respondent and those witnesses who testify for the respondent at the hearing.
- (f) The burden of proof shall be upon the complainant, who must establish the guilt of the respondent by clear and convincing evidence.

- (g) All parties, the witnesses, and the public shall be excluded during panel deliberations. Honor Council members-in-training, if any, will be allowed to stay for deliberations but may not contribute to the discussion of the board.
- (h) A four (4) out of five (5) vote is necessary for a verdict of responsibility to enter. If only four (4) members are present, a unanimous four (4) to zero (0) vote is necessary for a verdict of Responsible. A copy of this statement, called a Hearing Summary, must be signed by the student and the president and given to the respondent in person or sent via certified mail if the respondent is not present, or refuses to accept his or her copy. The decision of the hearing board will be available to the respondent and accuser(s) no earlier than 24 hours after decision has been reached.

SECTION 3: SPECIAL CONTINGENCY PROCEDURES

The board shall still be comprised of five members if possible (four (4) for a quorum), however more than one Honor Council faculty member is eligible to sit on the board, as well as is one member of the administration of Southern Methodist University, so long as there are at least two (2) student Honor Council members on any hearing board (including the (4) four-member quorum). Furthermore, any officer of the Honor Council shall be eligible to sit on the board to the extent that they have no prior knowledge of the case.
- (b) All other special contingency hearing procedures shall follow the guidelines set forth in Section 2.

ARTICLE V - PENALTY PROCEDURES (including the (4) four-member quorum)

discuss the case issues in general with other Honor Council members at their regular meeting for purposes of training, but no identifying information may be discussed.

In exceptional situations, this penalty may be waived at the discretion of the hearing board.

SECTION 5: For a period of one year, no student with an H.V. on his or her record shall be entitled to a scholarship based on any factor other than need.

ARTICLE VI - APPEAL

SECTION 1: Grounds for appeal are the following:

What if I do not have a front license plate?

If your vehicle is registered in the State of Texas, the state requires two plates to be displayed, one in front and one in back of the vehicle. If you have a back-facing plate only, please park head-in so that the LPR system can read your registered license plate from the drive aisle. Failure to park head-in may result in a citation.

Will I receive a citation if my license plate is dirty or if I have a decorative cover?

As long as your plates are legal for driving, our system can read them.

What if I have a newly registered vehicle without a license plate?

Please enter the temporary license plate number when registering your vehicle and the VIN (Vehicle Identification Number). Do not forget to notify Parking and ID Card Services when you receive the permanent plate!

MULTIPLE VEHICLES / TEMPORARY VEHICLES

What if I own/drive more than one vehicle to campus?

Individuals are allowed to register multiple (up to three) vehicles on the same virtual parking permit. However, only one vehicle is allowed on campus at a time per permit. The LPR technology will recognize the first vehicle as valid, but any additional vehicles under the same permit will be subject to citation.

What if I have a loaner or rental car?

Individuals are allowed to add or remove vehicles to their parking permit at any time, which will include loaner or rental cars. Once your usage of this temporary vehicle has ended, you will need to notify Parking Services to remove it.

VIRTUAL E-CITATIONS - HOW ARE CITATIONS ISSUED?

If a vehicle is found to be in violation of SMU vehicle regulations, it is subject to citation. Citations for SMU Students and Employees will be emailed to the SMU email address. Courtesy notifications reminding students and employees will also be emailed. Citations for vehicles not registered or affiliated will be physically placed on vehicles and the registered owner notified by US mail.

PRIVACY

How will my license plate information be used?

The license plate information collected in this process will only be referenced against the campus database for purposes of verifying parking permits on campus.

HOURS OF RESTRICTION

Many of the campus parking areas are restricted by the type of permit 24 hours a day, while others are designated as restricted from 7 a.m. to 5 p.m. Drivers should be aware of the signage restricting the area before attempting to park the vehicle. A permit is still required.

During the hours of restrictions, a vehicle may be parked only in the parking area to which the vehicle has been assigned and for which a permit has been issued. If restrictions are posted with no time designation, the restriction is enforced 24 hours daily. On Saturday and Sunday and official school holidays, only posted restrictions are in effect.

When restrictions are not in effect, vehicles bearing a current SMU parking permit may park in any space that is not in violation of state and local statutes or is not controlled by signs or curb markings indicating special provisions. Reserved parking areas are reserved 24 hours a day, seven days a week.

Southern Methodist University is pledged to fulfill its promise as a private university of the highest quality. Toward that end, a variety of services and programs are offered which are conducive to the support of the learning that occurs in the classroom. Uppermost among the services and programs are those that promote the safety and security of the campus community.

JURISDICTION OF THE UNIVERSITY POLICE

Law Enforcement Authority of Campus Security Personnel

The SMU Police Department is a fully empowered law enforcement agency that is certified by the State of Texas. SMU Police Officers are armed, state-commissioned peace officers with full police authority, duties and responsibilities. The SMU Police Department provides 24-hour emergency services with patrol officers and a communications officer on duty at all times. The department consists of 36 staff members; 30 of whom are armed, commissioned peace officers. The SMU Police Department has the responsibility and duty to enforce all local, state, and federal laws and to effect arrest and to provide for referral for prosecution of crimes to the city and county judicial systems. Criminal violations will be processed through the Dallas County District Attorney's Office, or Federal criminal justice system. Officers also write citations for the City of University Park and the City of Dallas, Justice of the Peace, Precinct 3.

Municipal Law Enforcement Jurisdiction

In addition to the SMU Police Department (SMU PD), the University Park Police Department (UPPD) has an excellent working relationship with SMU PD and has concurrent jurisdiction on the campus. University Park police officers regularly patrol the campus and augment SMU PD during emergencies. The University Park Fire Department (UPFD) is within six blocks of the SMU campus and provides fire prevention, suppression and emergency paramedic services to the campus. Through interagency agreements, the City of University Park, the Highland Park DPS, the Dallas Police Department and the Dallas County Sheriff's Department will also provide assistance if requested by the SMU Police Department.

ese crimes must have occurred within those areas of the campus that are speci cally de ned in 34 CFR 668.46(a). ese areas are broken down into the following categories:

- On Campus Property (includes Residential Facilities)
- Non-Campus Property
- Public Property

(De nitions for these categories can be viewed by visiting <https://www.clerycenter.org>)

NOTE: SMU will not necessarily issue timely warnings for every Clery Act criminal incident that is reported since that speci c incident may not pose a continuing threat to the community. Certain Clery Act crimes like motor vehicle theft, for example, occur infrequently on the campus at random locations. Suspect information is often never provided or determined. This is also true of the Dallas/Ft Worth area. Individuals should exercise due care and caution to avoid being victimized. Check out the crime prevention tips posted by the SMU Police to deter these crimes or attend a crime prevention briefing.

CRIME ALERT (O Campus)

SMU may post a Crime Alert (O Campus) for certain Clery Act crimes occurring outside the patrol jurisdiction of the SMUPD, when timely noti cation is received by the SMU PD and the offense is considered to represent a serious or continuing threat to the students and employees of SMU due to the nature of the crime, and/or proximity to the campus

Even though this action is not required by law, SMU strongly believes in supporting the spirit of the Clery Act by informing the community about certain crimes that are reported in the areas immediately surrounding our campus; yet still outside the normal SMU police patrol area.

When are Timely Warnings issued?

In accordance with the published guidelines used to interpret 34 CFR 668(e), the decision to issue a timely warning is made on a case-by-case basis in light of all facts surrounding the crime, including factors such as the nature of the crime, the continuing danger to the community, and the possible risk of compromising law enforcement efforts. Neither the Clery Act nor the Department of Education defines “timely”. The Department of Education has stated the warning should be issued as soon as the pertinent information is available.

Timely warnings may be issued for other offenses not covered by this regulation if a determination is made that the warning will aid in preventing similar offenses from occurring.

How are Timely Warnings issued?

In an effort to provide timely notice to the SMU community, and in the event of a serious incident which may post an on-going threat to the members of the SMU community, a warning will be issued. The method of delivery will be determined on a case-by-case basis, in light of all the facts. Various methods of delivery will be employed, including email, crime alert posters, text message, voice mail, website, and/or social media to inform students and employees on campus. The alerts are generally written by the Chief of Police or designee and they are distributed to the community by the Office of Public Affairs. Crime Alerts are issued on a case-by-case basis in a manner that will provide noti cation to the campus community about certain reportable criminal incidents that occur on or very near the campus. The University must believe the criminal incident poses a continuing threat to the community and the alert will aid in the prevention of similar crimes in the future. Updates to the SMU community about any particular case resulting in a crime alert may also be distributed in a similar manner listed above. When crime alerts are posted in campus buildings, they are printed on brightly colored paper and posted in the lobby/entrance area of campus building(s) for seven days. The *Daily Campus* newspaper will also be asked to print the warning in the next available issue. Timely warnings will also be published on the SMU Police Department web page.

SECURITY IN THE RESIDENCE HALLS & COMMONS

Residence Halls & Commons are patrolled regularly by SMU Police Officers. They perform periodic walk-throughs to ensure building safety and security.

1. Never leave your door open, even if you will be gone for only a few minutes; especially, never leave a door propped open. Always lock doors, screens and windows to prevent uninvited access to your room.
2. Don't mark your room key or key chain with your name, address, or telephone number.
3. Do not give anyone a key to your room.
4. Do not leave valuables in plain sight.
5. Never let strangers into your hall. This puts you and others at risk.
6. Be aware of suspicious persons and activities. If you observe someone or something suspicious, notify the hall staff and the SMU PD at 214-768-3333.

NOTE: Calls to 911 from cellular telephones will be answered by the Dallas Police or the University Park Police. Students using cell phones should tell the 911 Operator they are calling from the SMU campus and need to speak to the SMU Police Department. The 911 Operator will immediately transfer the call to SMU.

STUDENT APPEALS AND COMPLAINTS

At SMU, various policies reflect the SMU community's collective judgment about the academic, disciplinary, and academic honesty policies and procedures that best serve the interests of students and the overall academic community. Students sometimes might seek waiver of, deviation from, or appeal of these policies or applications of these policies. This page gives the links to the procedures for different types of student appeals or complaints available to undergraduates at SMU.

Discrimination or violation of rights

FEDERAL LAW & CONFIDENTIALITY OF RECORDS

The Family Educational Rights and Privacy Act of 1974 (FERPA) is a federal law that provides students the right to inspect and review education records, the right to seek to amend those records and to limit disclosure of information from the records. The intent of the statute is to protect the rights of students and to ensure the privacy and accuracy of education records.

The Act and regulations are very lengthy, and for that reason SMU has issued guidelines that are available at the University Registrar's FERPA website (<https://smu.edu/FERPA>).

Although there are a number of exceptions, as a general rule, SMU will not disclose to third parties personally identifiable information from a student's education records without the student's written consent. Among the exceptions to the general rule are these selected examples: (1) Information defined by SMU as directory information may be released unless the student requested through my.SMU Student Homepage that it be withheld; (2) information authorized by student through my.SMU Student Homepage may be released to those individuals designated by the student; and (3) information may be released to a parent or guardian if the student is claimed as a dependent for income tax purposes on the parent's or guardian's most recent federal income tax return. For more information, visit <https://smu.edu/FERPA>.

If you wish to release or restrict access to your records, you must make the request through the Release of Education Records feature in my.SMU Student Homepage. All SMU students are considered adults and must authorize release of all records to anyone, including parents. Students have the ability through my.SMU Student Homepage to grant parents or other individuals view access to parts or all of their education records. More information on this feature is available at <https://www.smu.edu/FERPA/students>. For one-time access, students may fill out a form if they want their information released to a specified third party.

The consent to release to specified third party form is available at <https://www.smu.edu/EnrollmentServices/Registrar/FormsLibrary>.

SEXUAL MISCONDUCT POLICIES, PREVENTION & RESOURCES

Sexual misconduct is prohibited by SMU's Title IX Harassment Policy and the federal law Title IX of the Education Amendments of 1972. SMU's policy is online in the University Policy Manual, <https://www.smu.edu/policy>, and on the Office of Institutional Access and Equity website, <https://www.smu.edu/IAE>.

Sexual misconduct encompasses all forms of sexual harassment, including gender-based harassment, sexual violence, sexual assault, dating violence, domestic violence, stalking and sexual exploitation. Sexual misconduct will not be tolerated in our University community. Students found responsible for sexual misconduct face disciplinary sanctions up to and including expulsion from the University.

In the event that a student experiences sexual misconduct, SMU has policies, procedures and resources in place to provide support. SMU resources available to students include SMU Police, the SMU Title IX Coordinator and deputy Title IX Coordinators, confidential counselors and the Office of Violence Prevention and Support Services.

While much of the following information focuses on resources and procedures in cases of sexual assault, dating violence, domestic violence and stalking, resources are available in all cases of sexual misconduct. Seek medical care and preserve evidence.

Victims of sexual assault are urged to obtain medical care and a sexual assault exam that preserves forensic evidence as soon as possible. Time is of the essence because certain types of evidence can dissipate or become unavailable.

If victims do not opt for forensic evidence collection, health care providers still can treat injuries and take steps to address concerns of pregnancy and/or sexually transmitted diseases. Obtaining a forensic exam does not require a person to file a police report, but it will help preserve evidence in case he or she decides at a later date to do so.

To preserve evidence before obtaining a sexual assault exam: Do not change clothes, bathe, shower or douche; do not eat, drink or use toothpaste or mouthwash; do not wash clothing, bed sheets, pillows or other potential evidence.

Where to go for a forensic exam

Dating Violence, Domestic Violence, or Stalking

Victims of domestic violence, dating violence or stalking also are urged to contact police as soon as possible. Victims of violence or stalking also should save evidence such as any letters, emails, phone calls, videos, photos, texts, social media postings, computer screenshots, voicemails or other evidence that may be helpful in obtaining a protective order or pursuing criminal charges.

THE CRIMINAL PROCESS AND SMU GRIEVANCE PROCESS

Students reporting sexual assault, dating violence, domestic violence or stalking have the right to choose to pursue a criminal process, an SMU internal grievance process or both processes. Students also may choose not to file a grievance or pursue criminal charges.

The internal grievance process and the criminal process, which are independent of each other, can be pursued at the same time. Please see the following sections for more information.

Reporting to Police and Pursuing Criminal Charges

SMU urges anyone who has experienced sexual assault, dating violence, domestic violence or stalking to alert police as soon as possible. SMU campus authorities can provide assistance in notifying law enforcement authorities, at the victim's request.

On campus, SMU Police can be reached at 911 from a campus phone; at 214-768-3333 from a cell phone; or by picking up a blue-light phone on campus at any time of day or night.

In the case of an off-campus incident,

SMU Police keep a copy of protective orders on file. SMU honors protective orders and complies with the state laws regarding protective orders. If a protective order is violated, the protected person should call police immediately. For more information, call SMU Police at 214-768-3333.

Protecting Information

In accordance with the Texas Code of Criminal Procedure, Chapter 57, victims may use a pseudonym to protect their identity. A pseudonym is a set of initials or a fictitious name chosen by the victim to be used in all public files and records concerning the alleged offense.

SMU will not include a victim's personally identifying information in any publicly available recordkeeping, including Clery Act reporting and disclosures such as the annual security report and the daily crime log. In some cases, SMU may need to disclose some information about a victim to a third party to provide necessary accommodations or protective measures in a timely manner.
